Section 1

Financial Services Guide

What other information should you consider before deciding whether to proceed with our recommendation?

If you receive personal financial advice, this will be documented in a Statement of Advice (SOA), or in specific circumstances, a Record of Advice (ROA), that confirms the discussions you have had with us, the recommendations we are making and the basis for those recommendations. These documents will also explain how those recommendations will work towards achieving your goals, any relevant fees received by us, and any associations with financial product providers.

When a financial product is recommended to you, you will be provided with a Product Disclosure Statement (PDS) or other disclosure documents issued by the product provider.

Among other things, the PDS contains information about the risks, benefits, features and fees payable in respect of the product. In combination, these documents will help you make an informed decision about whether to proceed with our recommendations.

Who provides the financial services described in this FSG?

The financial services described in this FSG are provided by us as Authorised Representatives of MBS Advice Licence.

Part 2 of this Guide contains further details about your Adviser, our experience, qualifications and professional memberships.

Who is responsible for those financial services?

As the holder of an AFSL, MBS Advice Licence is responsible for the financial services we provide to you. MBS Advice Licence acts on its own behalf when these financial services are provided to you.

In relation to the financial services offered in this FSG, MBS Advice Licence, as the holder of an AFSL, does not act on behalf of any other person or licensee. MBS Advice Licence is only responsible for the services offered in this FSG.

The law requires MBS Advice Licence to have arrangements in place to compensate certain persons for loss or damage they suffer from certain breaches of the Corporations Act (s912B of the Act) by MBS Advice Licence and/or its Authorised Representatives. MBS Advice Licence has internal compensation arrangements as well as professional indemnity insurance that satisfy these requirements.

What financial services do we offer?

MBS Advice Licence is able to provide financial product advice and to deal in a range of products (unless otherwise stated in Part 2 of this Guide) including:

- Life risk products
- Superannuation products

Some of the services you are able to access through MBS Advice Licence include:

- Personal and business insurance advice
- Superannuation advice as it relates to insurance advice only
- Claims Management Services

We are authorised to provide these services and products to both retail and wholesale clients.

MBS Advice Licence are not authorised to provide advice or services in the following areas:

- Deposit products
- Government debentures, stocks or bonds
- Standard margin lending facilities
- Derivatives
- Consumer credit advice and assistance
- Managed investment schemes
- Securities
- Strategic advice about consumer credit and consumer credit referrals
- Self-managed superannuation funds (except for insurance advice)
- Finance broking

Please ask your Adviser if you would like a referral for these services. If a specific fee is received for the referral, it is disclosed below in 'Fees and Charges'. It may also be disclosed in an advice document such as a Statement of Advice (SOA), if your Adviser provides you with personal advice.

There is an important difference between 'general advice' and 'personal advice'. If we provide you with 'general advice' it means that we have not considered any of your individual objectives, financial situation and needs.

If we provide you with 'personal advice' we will consider your individual objectives, financial situation and needs when making our recommendation to you.

We will only provide services to you, with your prior, informed consent. If you do not understand any of the information in this Financial Services Guide, or have any other questions relating to the terms on which we will be acting, please contact us.

In providing our services, other financial matters may arise, however, we are not authorised to assist with any financial products and services except those explained above. You should seek specific advice from the appropriate professionals on other matters relevant to you.

What products are available?

A range of financial products offered by many leading financial product providers are available for recommendation by us. Details of the available insurance products we can recommend are contained within our Approved Product List (APL).

We have an open APL when providing risk insurance advice, meaning we are able to provide advice on all personal and group risk insurance products in Australia.

Research houses provide us with financial product research, which is used to carefully select and maintain an extensive list of Approved Products for us to select from.

We will only recommend a product to you after considering its appropriateness to your individual objectives, financial situation and needs. The recommendations will be made after conducting an investigation into the financial products and may require us to investigate and consider a financial product which is not on the APL.

What documents do you get if we provide further advice?

Where we provide further advice and your circumstances and/or our advice has not significantly changed, we will provide you with a Record of Advice (ROA).

In the event your circumstances have changed and/or our advice is significantly different from our previous advice, we will provide you with a new SOA.

How can you instruct us?

You may specify how you would like to give us instructions, for example, by phone or email using any of the contact details set out in Part 2 of this Guide.

Alternatively, you may provide instructions to us in person. Where instructions are provided by telephone, these must be confirmed in writing.

All fees described in this FSG include GST, unless otherwise noted.

If you receive general advice you may request particulars of the fees, commissions and other benefits that we may receive, within a reasonable time after this FSG is given to you.

The types of fees, commissions and other benefits that may be received by us and by MBS Advice Licence include the following:

Fees for advice

We may charge fees for the preparation, presentation and implementation of our advice. These fees will be based on your individual circumstances, the complexity involved in your situation and the time it takes to prepare personal financial advice for you. If we charge a fee for our advice this will be outlined and disclosed in our individual adviser profile (FSG part 2). We will discuss these fees with you and gain your agreement to the fees before we provide you with advice.

Referral fees

If we refer you to another business to provide you with services, we may receive referral fees. Those fees may vary according to the party to whom we are referring, and the products involved. We will provide written notification to you if we are likely to receive referral fees for referring you to another service provider.

Payment methods

Our fees are invoiced to you directly. In most instances you will be able to select the method of payment that suits you best. We will discuss and agree the method of payment with you before we provide you with services.

Insurance Commissions

Initial and ongoing commissions from insurance providers may be received by MBS Advice Licence. These commissions are paid to MBS Advice Licence by the company that issues the product that MBS Advice Licensed Advisers recommend to you and are included in what you pay for the product.

The commissions vary and are based on the policy cost, which is the sum of the premiums you pay and may include other fees related to the product.

The initial commission is paid in the first year by the product issuer to MBS Advice Licence. Ongoing commissions are payments paid by product issuers to MBS Advice Licence in the years after the first year. If you initiate an increase to your cover, MBS Advice Licence may receive initial and ongoing commissions on the annual increase to your policy cost. The ongoing commission on a client-initiated increase is only paid in respect of the period that starts from the first anniversary of the increase.

Date a new product is issued	Initial Commission (% of annual policy cost or increase excl GST)	Ongoing Commission pa (% of annual policy cost or increase excl GST)
From 1 January 2020	0-60%	0-30% *

* Up to 30% (excl GST) ongoing commission can be received where a level commission is paid.

MBS Advice Licence may receive the pre-1 January 2018 ongoing commission rates of up to 38.5% (excl GST) from the product issuer if:

- your policy was issued before 1 January 2018, and you exercise an option or apply for additional cover under your policy after 1 January 2018 or
- your policy was issued before 1 January 2018 and is replaced after 1 January 2018 to correct an administrative error.

Example

From 1 January 2020, you decide to increase your insurance cover. The cost of this increased cover is \$100. The initial commission payable to MBS Advice Licence in respect of this increase will be \$60 (60% excl. GST). The maximum ongoing commission payable to MBS Advice Licence in respect of this increase will be \$20 pa (20% excl. GST), payable in respect of the period starting from the first anniversary of the date on which you increased your insurance cover (ie 1 January 2021). These commissions may be passed onto us.

You will find details of how your insurance policy cost is calculated in the relevant PDS that we provide you.

Where personal advice is provided to you, you will also find details of the commission that MBS Advice Licence are entitled to receive, if you decide to purchase a life insurance product, in your SOA or ROA.

If remuneration or other benefits are calculable at the time personal advice is given, it will be disclosed at the time that personal advice is given, or as soon as practicable afterwards. If remuneration is not calculable at that time, a statement of how the remuneration is calculated will be given to you at the time the advice is given, or as soon as practicable afterwards.

Joint venture arrangements

The details of the specific arrangement will be disclosed within the relevant SOA or ROA prior to undertaking any financial service. Where a profit is realised under the arrangement, it is split between MBS Insurance and the other business.

If you are referred to us, we may pay the referrer a fee. We may also provide the referrer with gifts such as branded promotional items, hampers or gift vouchers. The fee varies according to the referrer however, the fee is a percentage of the commission received through the referral. We may pay these fees upfront when the financial service is provided, or the financial product is provided, or periodically as ongoing commissions are received. Any referral payments will be disclosed within the SOA or ROA.

Conflicts of Interest, other benefits, and arrangements which may influence our advice to you?

MBS Advice Licence has policies and procedures in place to manage conflicts of interest as required by s912A (1) (aa) of the Corporations Act. We have an obligation to manage conflicts of interest and act in the best interests of our clients, and if there is a conflict, give priority to our clients' interests.

A benefit received by us, or a representative, will be considered conflicted if it could be reasonably expected to influence the advice given by us, or the representative.

From time to time we, or the representative, may accept alternative forms of remuneration from product providers or other parties. These benefits may include benefits such as hospitality, support connected with our professional development (e.g. training or sponsorship to attend conferences) and information technology. We maintain a register detailing any benefit received which is valued over \$100 and restrict any benefits with a value over \$300. A copy of the register is available on request for a small charge.

Identifying conflicts of interests is an ongoing obligation and subject to review by the Responsible Person, Compliance Manager and/or an external Compliance Auditor. Where conflicts of interest are identified, these are recorded and managed so as they do not influence the advice given. If it is determined that any benefit or arrangement may influence our advice, we will avoid the benefit or not provide the advice.

Insurer Partner Program

MBS Advice Licence has established a fixed fee Insurer Partner Program with TAL and Zurich for the purposes of education, training and information technology support. The fee is not based on the past or anticipated sale of the Insurer's products and will not influence advice that we give. This fee will not change the amount of the policy cost payable by you.
